

THE FATE OF LOVERS IS TO DIE

by Sara Scandola, Andreea Cimbala, Marianna Spezie and Valeria Garay

3A (to the tune of "The Sound of Silence")

Hello sweet love my old friend
I've come to talk with you again
'Cause I just wanted you to see
That the most powerful here is me.
And the people in the moonlight always wonder why,
Never mind, the fate of lovers is to die.

Hi my lady darkness queen,
Are you sure that you will win?
'Cause there's something you should not forget
I'm the reason for each human breath.
And the people, in the moonlight always wonder why,
Every time, where there's love shade can shine.

Look above now on a cliff
Love is as frail as a whiff.
Those two sweethearts walking hand in hand
I will sure make 'em a doleful end.
And the people in the moonlight always wonder why
Never mind, the fate of lovers is to die.

Skew the boy I'll through the heart
With the unfailing deadly dart
As an eagle hunts another prey
From his girlfriend he will stay away.
And the people in the moonlight always wonder why,
Never mind, the fate of lovers is to die.
